Citizen Advisory Committee
Commerce City Civic Center
7887 E. 60th Ave., Council Chambers
Jan. 7, 2015 – 6 p.m.-7:30 p.m.**

In recognition of the role Commerce City citizens played in the passage of Issue 2K in November 2013 and the desire of Commerce City leadership to provide a framework for engaging the community in meaningful ways throughout the implementation of the voter-approved projects, the City Council of Commerce City established the Commerce City CIP Citizen Advisory Committee.

The mission of the committee shall be:

- To receive staff reports on the progress of each approved CIP project in relationship to established schedules, budget allocations, project goals, and quality management guidelines.
- To provide advice to the City Council on opportunities and issues related to the implementation of the five approved CIP projects, specifically relating to the three key program elements of:
 - Accountability – Demonstrating effective stewardship of taxpayer dollars
 - Engagement – Provide tangible opportunities for community members to engage
 - Potential – Leverage civic support and progress beyond the initial five projects
- To review and provide comment on public engagement and public information plans.
- To promote public awareness and understanding of the voter-approved CIP projects and the implementation of each.
