Hurry to sign up for city summer camp programs

COMMERCE CITY – Spaces fill fast, so enroll early to ensure your spot in Commerce City’s summer camps. These popular camps offer field trips, arts and crafts, teambuilding games and more for youths ages 6-15 and are a great way to fill the summer months.

Children must be enrolled by May 11 in order to attend summer camp; registration for classes is offered to enrollees on a weekly basis at an affordable rate.

Commerce City’s summer camps are state licensed and CCAP approved and offer low child-to-staff ratios. Camps provide a safe and friendly environment, offering campers lots of opportunities to make new friends, try new things and have fun.

Campers are encouraged to participate in a new and fun theme each week. Special projects, gym games and more will be a part of each day, and field trips for swimming, hiking and other adventures are included.

City summer camps are offered at two locations: the Commerce City Recreation Center and Second Creek Elementary School. Summer Day Camp is for children ages 6-10; hours are 7 a.m.-6 p.m. Monday through Friday at both locations.

Looking for something to engage your teen? Then check out the Teen Scene Camp. Teen Scene is run by the Parks and Recreation Department and is open to youths age 11-15. Teens will be included in planning activities and field trips. Hours for Teen Scene are 8 a.m.-5 p.m. Monday through Friday at both camp locations.
