Tower Road to be closed overnight for water pipeline construction

COMMERCE CITY – Tower Road will be closed the night of Sunday, March 8 beginning at 7 p.m. for construction of the Prairie Waters Project, an Aurora Water project. The overnight road closure will be immediately south of the E-470 overpass and north of 112th Avenue, with at least one lane being re-opened at 5 a.m. for morning traffic.

Electronic message boards have been placed along Tower Road alerting drivers of the closure; the message boards will also direct drivers to alternate routes.

The overnight road closure is expected to last Sunday, March 8 only. Future lane closures are expected as construction of the pipeline continues along E-470 south to I-70.

For more information on the Prairie Waters Project, visit the project Web site at www.prairiewaters.org or call (303) 739-7477.
