

## 2018 Commerce City Street Sweeping Schedule

### March – November

To help the city's sweeping efforts, residents are asked to:

- Park all vehicles off-street between 7 a.m. and 3 p.m. during scheduled sweeping periods
- Trim tree limbs hanging over streets to a height of 15 feet above the roadway
- Sweep sidewalks in front of homes so additional debris can be picked up by sweepers

Your assistance will help keep streets and neighborhoods clean, prevent debris from washing into local streams and increase the effectiveness of street sweeping equipment. Residential streets are swept four times per year.
